Respect Life Essay Contest for 2009

**"The Freedom of Choice Act:
How 'Choice' Affects a Baby in the Mother's Womb"**

The purpose of the 2009 Respect Life Essay is to demonstrate a working knowledge of the Freedom of Choice Act; if enacted into law, how this legislation would negatively affect a baby in the mother's womb (and harm the mother); and what can be done individually and in groups to oppose legislation intended to ignore the rights and dignity of an unborn child.
